Kingswood Billing App

Your Job Diary and Customer Details on your Phone

- Instantly record job details and payments received.
- Check out customer balances at a moments notice - anywhere, anytime.
- Keep time spent on accounts to a minimum.
- No more late night book-keeping!

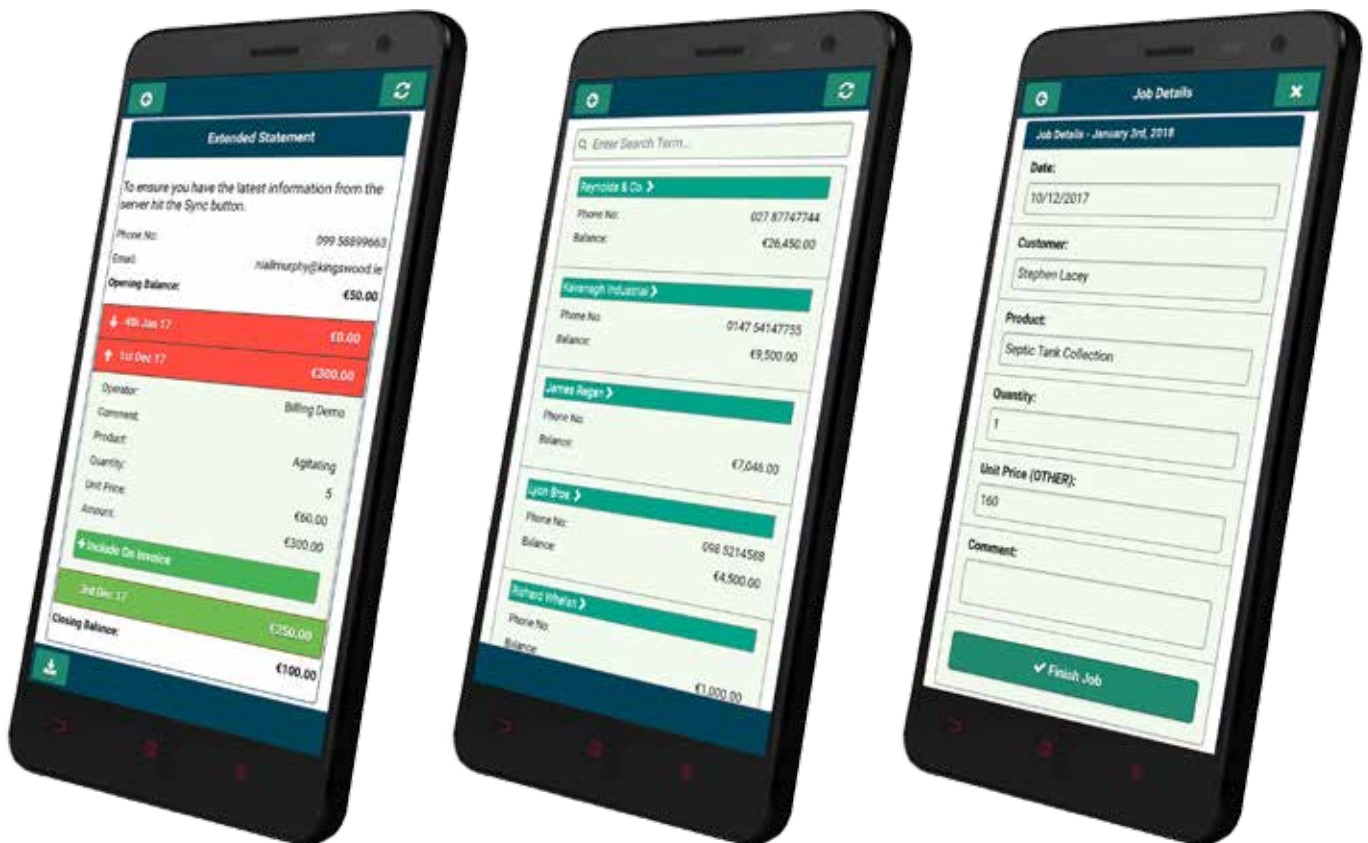

The Kingswood Billing App allows you do all this and more!

Access it from your phone, tablet or PC. Use it anywhere – even when there's no phone signal.

"Kingswood Billing App lets me know where I stand regarding money owed. Can now collect cheques with confidence much quicker than before."

- John J Clifford, Mayo

- **Enter job details on farm or site**
- when they're fresh in your memory.
- **Enter payments as soon as you receive them**
- balances always up to date.
- **Generate and email invoices immediately.**
- **Check your customer balances at any time**
- on farm, street or even the pub!
- **Show detailed statements of account if any queries.**

" Brilliant App! No more trawling through diaries late at night to find out how much I'm owed."

- Gordon Jones, Cork
